Yamada & Yoshizuki's Nagasaki Recommendations!

Yamada's Recommendations

I love the noodle plates and chanpon. I had some at the corner store in Chinatown near Nagasaki Station. Just remembering them makes me drool... ikukuku is honey-filled candy. I got mine at the airport. The liquor's good, too.

Yoshizuki's Recommendations

The view from Katagashima's awesome! Excellent for strolling or taking pictures. The harbor sides especially nice. There are roads too narrow for cars with stone steps and pack horses right out of an old movie.

Kusunoki Shiryōdō
This is where Ryutarō works part-time. Actually, I used the Goshima Shiryōdō, some two miles away by car, as my model. The sets so beautiful from Goshima Bridge.
